WHAT’S COVERED/WHAT’S NOT?
Your ASP fee covers round-trip airfare from JFK to Yerevan, full ground transportation and transfers in Armenia, two meals a day, accommodations at a 4 star hotel in downtown Yerevan, lodging while at camp for service, entrance fees to all sightseeing destinations, and tour guides (English and Armenian). Not included: travel insurance, soft drinks, alcoholic beverages, outings to nightclubs, after-hours cafes, concerts, theater, etc. Please make sure you bring enough cash to cover these expenses.

GENERAL PACKING
You will be permitted to check one suitcase (weighing no more than 50lbs.) free of charge and have one carry-on bag, which must fit under the seat or in the overhead compartment of the plane. We are providing you with a list of suggested items to pack; you may also want to speak with people who have traveled to Armenia for their ideas. Please pack lightly; your goal is to be as mobile and self-sufficient as possible. Be sure to attach nametags to your luggage. With heightened security at airports, be sure not to pack nail files, scissors, tweezers, etc. in your carry-on bags. Do not bring alcohol, illegal drugs or anything that could be construed as a weapon. NOTE: Do not bring your computer; it is unnecessary and often a distraction. Your group leader will have a computer and there are many internet cafes in Yerevan if you wish to contact home. We encourage you to allow yourself to disconnect and truly enjoy your homeland.

MEDICAL
There are no immunization requirements for travel to Armenia. However, you should consult with your physician about having a tetanus shot (or booster) if you have not had one in the last ten years. You may also want to consult your doctor or the Center for Disease Control website, www.cdc.gov/travel/easteurp.htm for the most current travel information.

If you are taking medication, be sure to bring an adequate supply (or get an additional prescription in case of loss). You should also bring any over-the-counter medication that you may need (cold pills, anti-diarrhea medicine, aspirin, decongestants, etc.). If you wear glasses or contact lenses and cannot see without them, we suggest you bring a spare pair just in case.

The water in Armenia is mountain water – pure, delicious and safe to drink. If you prefer bottled water, it is available for purchase; otherwise, be sure to bring a reusable water bottle to fill for day-trips.

*Should you have any medical concerns during your trip, please inform the leader immediately, and he will consult with the closest medical facility and get you the care you need.*
CLOTHING
Yerevan summer days are often very hot and dry. Don’t over pack! Bring comfortable clothing, especially shoes for walking and hiking. The ASP group is always on the move! We take many hikes and do a lot of walking during tours, so be prepared. Also, please pack one or two nicer outfits as you may have an audience with the Vehapar and other dignitaries. Do not bring expensive jewelry, clothing or high heels. While in Etchmiadzin with the Vehapar, you are expected to dress modestly and in proper church clothes. Should you have any questions, please ask your trip leader before traveling.

Please do not wear short shorts/skirts, revealing or very tight tops or clothing with text or graphics that may be offensive to others. While in Armenia, you should respect the cultural norms of the country. As ASP participants, you will be representing the Armenian Church and young Armenian Americans in general; we want you to make a favorable impression. Please take this into consideration when packing.

WHAT TO BRING
A. Clothing: casual clothes (t-shirts, shorts, jeans, pants, sundresses, skirts), proper dress for church, sneakers, comfortable shoes, sandals, light jacket/sweatshirt, bathing suit (hopefully, the weather in Sevan will allow you to enter the lake).
B. Toiletries: soap, shampoo, toothbrush, toothpaste, deodorant, razor, tissues, feminine hygiene products, band-aids, baby wipes, sunscreen, bug repellent, medications, hand sanitizer, etc.
C. Miscellaneous: Bible, towels, notebook and pen (to keep a daily journal), battery operated or wind-up alarm clock, sunglasses, camera.
D. Please Note: (1) The voltage in Armenia is 220 (50 - 60Hz). If you are bringing electrical appliances (hair dryers, curling irons, razors, etc.), then you will need a converter. Most video cameras are automatically converted. (2) There are full-service laundry facilities in Yerevan should you need them. (3) If you forget something, don’t worry; most American hygiene products, snack foods, batteries, etc. are now available in Yerevan for about the same cost as at home.

MONEY
Your leader will assist you in exchanging US dollars for Armenian dram. The exchange rate as of December 2017 is approximately $1 = 483 dram. Do not bring travelers checks; they are very difficult to spend in Armenia. ATM machines are now more accessible than in the past; therefore, you will be able to make withdrawals with your credit/debit card. Note that the cash will be in the local currency (dram). As far as budgeting your money is concerned, you can expect a typical restaurant meal to be about 4500 - 6,000 dram.

IN THE EVENT OF AN EMERGENCY
In the event that you must be reached while in Armenia, have your family contact the Director of Youth and Young Adult Ministries, Jennifer Morris at 248 - 648 - 0702. If they are unable to reach her, they may call the Diocese during business hours for assistance at 212 - 686 - 0710. Please ask them to indicate that the call is regarding the ASP.

FAMILY/FRIENDS IN ARMENIA
If you would like to visit family or friends living in Armenia, we ask that you arrange for them to come see you at the hotel. Please be sure to consult with the group leader before making plans for visits, and he will assist in the coordination of your visit.
