

ARMENIAN SCHOOL

As our tradition in St. Leon Armenian School, we commemorated our Holy Martyrs of the Armenian Genocide in front of the Khatchkar on Saturday, April 24, 2021. Parents, students, teachers and members from our parish were present. Der Diran and Deacon Levon did the hokehankist, which was followed by the students' recitation of poems. We sang Sardarabad, our school song, and the Armenian National Anthem. After the ceremony, everybody placed carnations in front of the Khatchkar.

Thank you to all who participated in the commemoration.
