

# Onnik Dinkjian and Ara Dinkjian present Diyarbekiri Hokin: *The Soul of Dikranagerd*

**An evening of songs, stories and homage to a vanishing dialect  
with commentary by Onur Gunay**

In a live duet performance, legendary Armenian singer Onnik Dinkjian and master oudist Ara Dinkjian will perform songs from their recent CD album *Diyarbekiri Hokin*. Each song is associated with their ancestral city of Diyarbakir. Most are sung in the unique Dikranagerd dialect —now facing extinction. Onnik and Ara will also recount some of their experiences visiting the land of their forefathers, which was poignantly captured by filmmaker Onur Gunay.
