Deacons' Training Program

Friday, June 27 - Sunday, July 6

\$550 (Tuition, room & board. Scholarships available)

Co-directors: Fr. Haroutiun Sabounjian and
Dn. Alex Calikyan

All altar servers, ages 14+, are invited to learn how to participate in the liturgical services of the Armenian Church. Through practical workshops and interactive classes, a team of seminary faculty, priests, deacons, and other specialists will teach participants the deacons' chants of the Divine Liturgy and other services. Students who complete the program return to their home parishes with polished liturgical skills, a deeper understanding of the church's

worship services, a stronger faith, and strong network. Beginners with little or no previous experience focus on the deacons' chants and rituals of the Divine Liturgy, while advanced students concentrate on learning additional church services.

Our popular high school conference has attracted thousands of students over the last six decades to explore their faith and heritage of the Armenian Church, while engaging in discussions with clergy and lay leaders about issues and topics important to young people. This conference inspires students every day during worship, bible studies, and Armenian language instruction. In addition, sports and recreation, outings, and other activities add to a well-rounded experience, helping participants to make deep, lasting friendships and discover their place in the Armenian Church.
