

# AN EVENING WITH AMALYA YEGHOYAN

Executive Director of the Gyumri Information Technology Center

Amalya is recognized for her transformative efforts in empowering and training women, veterans of the Artsakh Wars, and marginalized youth through technology and education, and has become a beacon of progress in Armenia.

Learn what this award-winning, innovative center has done to make Armenia the tech hub of the region.

**Sunday March 30, 2025**

Reception & Presentation begin promptly at  
5:00PM

St. Leon Armenian Church | Abajian Hall  
12-61 Saddle River Road  
Fair Lawn, NJ 07410

Please contact Lisa Boyajian with any  
questions: [levonandlisab@verizon.net](mailto:levonandlisab@verizon.net) /  
551-265-1105

This event is jointly sponsored by St. Leon Church ▪ St. Leon Women's Guild and Men's Fellowship ▪ Armenian Engineers and Scientists of America ▪ Knights of Vartan
